

Chesapeake Bay Trust Planned Program Schedule – Fiscal Year 2026

In an effort to help applicants plan proposal development and submit applications to the Trust, a draft program schedule for the Trust's current fiscal year (FY) is provided. The Trust's FY is from July 1 to June 30. This calendar encompasses the general timeline (month) when we expect a Request for Proposals (RFP) to be available to the public and does not reflect when funding decisions will be made or when the applicant will be notified of the decision. An RFP may be released at any time during the first month highlighted in green (unless noted otherwise) and the schedule is subject to change at any time. Review the program specific pages (**program name is a link**) for the most up to date information, and in-depth timeline information.
