

# Developing Driving and Supporting Questions

This tool will help connect the dots between the issue, problem, or phenomenon explored throughout the MWEE, the driving question, the supporting questions, and the standards. While the supporting questions are ideally created by your students, you'll likely have a good idea of what those could look like based on the investigations. For more information on creating effective driving questions, refer to the graphic on page 5.

MWEE Issue	Driving Question	Supporting Question	Standard(s)
		Supporting Question	Standard(s)
		Supporting Question	Standard(s)
		Supporting Question	Standard(s)
		Supporting Question	Standard(s)
