

Moving from Claims to Informed Action

This tool will help you visualize different action options for addressing the driving question explored in your MWEE. For information on different types of action projects, refer to the graphic on page 6.

| Make Your Claim | | | |
|--|-------------|-------------|-------------|
| | | | |
| Conclusions from Investigations | | | |
| | | | |
| | Solution #1 | Solution #2 | Solution #3 |
| What action could be taken to address the environmental problem, issue, or phenomenon? See Types of Action Projects on page 6. | | | |
| How would this help to address the environmental problem, issue, or phenomenon? | | | |
| What resources would you need? | | | |
