### Grants: Upcoming Deadlines and Open Programs

*The Chesapeake Bay Trust's grant-making strategies are shaped by three core objectives: environmental education, demonstration-based restoration, and community engagement. We look to these objectives as basic touchstones for developing our programs, engaging new partners, and communicating about our work.*

#### **[Anne Arundel County Forestry and Forested Land Protection Grant Program: Extended Deadline- November 16, 2021 at 4PM EST](#)**

The Anne Arundel County Government and the Chesapeake Bay Trust are partnering to provide funds for forestry projects and land protection in Anne Arundel County. The goal of the program is to implement cost-effective reforestation and greening projects and increase the number of acres of protected forested land in the County.

#### **[Prince George's County Stormwater Stewardship Grant Program: November 18, 2021 at 4PM EST](#)**

The Prince George's County Government and the Chesapeake Bay Trust announce the eighth year of our partnership to support projects throughout Prince George's County that aid neighborhoods while treating and controlling stormwater. The goal of this program is to improve neighborhoods, improve water quality in the County's waterways, and engage County residents in stormwater issues.

#### **[Chesapeake Conservation Corps Host Application: December 2, 2021 at 4PM EST](#)**

The Chesapeake Conservation Corps places young adults (ages 18-25) with nonprofit organizations or government agencies to work fulltime in the environmental field for a one-year term of paid service. The Corps provides young professionals with experience, leadership and professional development training, mentorship, and a support network of young environmental professionals. Positions offered by host organizations are in the fields of environmental restoration, community engagement, environmental education, sustainable agriculture, energy conservation, and forestry.

#### **[Environmental Education Grant Program: December 2, 2021 at 4PM EST](#)**

The Environmental Education Grant Program funds programs and initiatives that advance environmental literacy and result in students having the knowledge, skills, attitudes, and motivation to take informed and responsible actions to protect and improve the environment.

**Montgomery County Watershed Restoration and Outreach Grant Program: December 2, 2021 at 4PM EST**

The Montgomery County Watershed Restoration and Outreach Grant Program is a partnership between the Montgomery County Government and the Chesapeake Bay Trust that funds public outreach and stewardship projects, community-based restoration water quality implementation projects, and litter reduction projects in the Anacostia River Watershed through trash trap maintenance and monitoring.

**Watershed Assistance Grant Program: December 2, 2021 at 4PM EST**

The Watershed Assistance Grant Program is a partnership between the Chesapeake Bay Trust (Trust) and the Maryland Department of Natural Resources (DNR) and Environment (MDE). The program provides support for watershed restoration project designs and permitting and for watershed planning and programmatic development. The ultimate goal for projects funded through this opportunity will be improved water quality in the Maryland portion of the Chesapeake Bay Watershed, the Maryland portion of the Youghiogheny watershed, and the Maryland Coastal Bays.

**Capacity Building Initiative-Organizational Grant Program: January 13, 2022 at 4PM EST**

The Capacity Building Initiative (CBI) is a joint initiative of the Chesapeake Bay Trust and Chesapeake Bay Funders Network. The Capacity Building Grant Program is designed to increase the effectiveness of organizations that work at the nexus of natural resource and community health issues, within the Chesapeake Bay, Coastal Bays, and Youghiogheny River watersheds by addressing organizational capacity needs.

**Restoration Research Grant Program: January 27, 2022 at 4PM EST**

The Chesapeake Bay Trust, the Maryland Department of Natural Resources, the National Fish and Wildlife Foundation through the Environmental Protection Agency's Chesapeake Bay Program Office, the Maryland Department of Transportation State Highway Administration, the Montgomery County Department of Environmental Protection, and other partners announce a Request for Proposals for its Restoration Research award program. The goal of this research program is to answer several key restoration questions that are a barrier to watershed restoration project implementation.

**Anne Arundel Watershed Restoration Grant Program: March 17, 2022 at 4PM EST**

The Anne Arundel County Watershed Restoration Grant Program is a partnership between the Trust, the Anne Arundel County Bureau of Watershed Protection and Restoration, and the City of Annapolis. This award program aims to improve water quality in the County's local streams and waterways, as called for in the County's Municipal Separate Storm Sewer System (MS4) Permit and County and City of Annapolis' Stormwater Management Inventory and Watershed Improvement Plan, which require reductions in storm flow volume and pollutants entering the County's waterways..

## **Anne Arundel County Community Tree Planting Mini Grant Program: Rolling deadline**

The Anne Arundel County Community Tree Planting Mini Grant Program is a partnership between the Anne Arundel County Forestry Board and the Chesapeake Bay Trust to provide small community-based grants to help communities and organizations increase the number trees and tree canopy in neighborhoods, parks, and communities. This program only funds within Anne Arundel County.

## **Charles County Forestry: Rolling deadline**

The Charles County Forestry Grant Program is a partnership between the Charles County Government and the Chesapeake Bay Trust that aims to fund cost-effective reforestation projects in the County to increase tree canopy and as a result create forest habitat and improve water quality in the county's local watersheds and ultimately the Chesapeake Bay.

## **Community Engagement and Restoration Mini Grant Program: Rolling deadline**

The Community Engagement and Restoration Mini Grant Program is designed to engage Maryland residents in activities that enhance communities, engage residents, and improve natural resources. This program funds small-scale activities such as tree plantings, rain gardens, stream cleanups, and storm drain stenciling, among others.

## **Prince George's County Rain Check Rebate: Rolling deadline**

The Prince George's County Rain Check Rebate Program offers rebate incentives to homeowners, businesses, and others to install practices that will improve stormwater runoff quality, reduce pollution, and improve local stream and river health. Seven types of stormwater practices are eligible for rebates: rain barrels, cisterns, rain gardens, urban tree canopy, pavement removal, permeable pavement, and green roofs.

## **Sponsorship Program: Rolling deadline**

The Sponsorship Program is designed to support events that will increase awareness and knowledge among event participants about issues pertaining to restoration and protection of the natural resources of the Chesapeake and/or Maryland's other watersheds. The Trust will also entertain requests that promote the following major sources of revenue for the Trust: 1) the "Treasure the Chesapeake" license plate program; 2) the Chesapeake and Endangered Species Tax Check-off on the Maryland State income tax form; and 3) the Maryland Outdoor Recreation and Clean Water Fund.

*For questions concerning any of the above open opportunities, please refer to the specific webpage for the Program Officer assigned to the Award Program.*

# SAVE *the* DATE

## Behavior Change in Stewardship Practices: A Virtual Forum on the State of the Science and Water Quality Implications

February 10th, 2022 9am-5pm

The environmental community has been working to increase adoption of environmentally responsible practices for years. The Trust will hold the first Behavior Change forum to discuss best practices, synthesize current and future needs in research, and explore how behavior change programs can translate to water quality goals.

### About The Trust

[The Chesapeake Bay Trust](#) is a nonprofit grant-making organization dedicated to improving the watersheds of the Chesapeake Bay, Maryland Coastal Bays, and Youghiogheny River through grant programs, special initiatives, and partnerships that support K-12 environmental education, on-the ground watershed restoration, community engagement, and the underlying science of these three realms.

Since 1985, the Trust has awarded more than \$130 million in grants to local municipalities, nonprofit organizations, schools and public agencies throughout the Chesapeake Bay Watershed. For nearly two decades, the Trust has received a "4-star rating" from Charity Navigator, the nation's leading independent evaluator of nonprofit organizations. About 90% of the Trust's expenditures are directed to restoration and education programs.
