

4.5.1 Offerors submitting in response to Phase I must include the following in one electronic file:

a) Response to the qualifications section: a description of the experience to provide services as described in Section II, including:

i. Number of years the nursery has been operating

Michael Jensen, owner, purchased an established tree nursery in 2010 and renamed it Unity Church Hill Nursery, LLC. Unity Church Hill Nursery has continued in business since then.

ii. Location and size of nursery, types of tree species and number of trees

Unity Church Hill Nursery, LLC (UCHN) is located in Church Hill, MD 21623. It is 44 acres. We've grown 42 species of trees with a total of 4,189 trees over the past three years. See attached sheet for a list of species and numbers of each per year.

iii. Name, telephone number and emails of at least three clients that we can use as references to provide proof of the nursery's tree quality and tree delivery reliability

1. Alan Girard @ CBF Easton - AGirard@cbf.org 410-924-7052
2. Dave Wilson @ Delmarva RC&D - delmarva.rcd@gmail.com 443-235-8514
3. Leslie Grunden @ Caroline County Planning and Zoning - lgrunden@carolinemd.org 410-479-8105
4. Matt Pluta @ Shore Rivers - Matt Pluta mpluta@shorerivers.org
5. Cheryl Lewis @ Town of Oxford - oxfordclerk@goeaston.net 410-226-5122
6. Cindy Burns @ Town of Templeville - cburns@mrhc.net 240-731-3575
7. Eric Buehl @ University of Maryland Sea Grant Extension Program - Eric Helm Buehl ebuehl@umd.edu
8. Michael Whitehill (Whitehill Consulting on behalf of The Town of Centreville) @ Town of Centerville - michael@whitehillconsultingllc.com

b) Completed Table in Appendix 1 (see attached)

c) Offerors should describe the geographic history of the trees they provide, understanding that trees sourced out of state and moved to Maryland for a short period of time before being planted may have different survivorship potential.

The state where we sourced our tree liners is included in the comments column of Appendix 1. We have been and plan to continue sourcing our tree liners from nurseries in Delaware, Maryland, Ohio, New Jersey, Pennsylvania, Tennessee, and Michigan. We source more locally when possible.

d) A description, if tree delivery is a service offered, of geographies to which delivery can be made, and delivery costs based on miles traveled.

We offer delivery to locations within a 3-hour drive of our nursery located in Church Hill, MD. We charge a lump sum for deliveries with price calculated based on distance from our nursery (please see attached sheet for delivery fees and zone map). For large orders, we offer competitive custom quotes.

e) A description if warranties are provided on current tree stock for one to two years.

We offer a 1-year warranty if trees are installed by us or our sister company, Unity Landscape, Design/Build, Inc. There is a one-time replacement per tree.
