

# Our Bay

The Chesapeake Bay Trust ([www.cbtrust.org](http://www.cbtrust.org)) is a state-chartered, nonprofit grant-making organization sparking on-the-ground change in communities throughout Maryland and the broader Bay watershed. Since its inception in 1985, the Trust has awarded \$40 million in grants and engaged hundreds of thousands of citizen stewards in projects that have a measurable impact on the Chesapeake Bay and its tributaries.

In 2011, the Chesapeake Bay Trust awarded 330 grants totaling \$5.2 million throughout the Chesapeake Bay region, through its competitive grant programs and special initiatives. These grants directly engaged more than 110,000 students, teachers, and volunteers in environmental education, restoration and community engagement activities. Over the last year, Trust grantees planted almost 95,000 native trees and plants, removed more than 580 metric tons of trash from Maryland's streams and rivers, and restored more than 70 acres of wetlands, oyster reefs, and streamside buffers.

The Trust is supported by sales of the Maryland *Treasure the Chesapeake* license plate, donations to the Chesapeake Bay and Endangered Species Fund on the Maryland State income tax form, donations from individuals and corporations, and partnerships with private foundations and federal and state agencies. Fully 90 percent of the Trust's expenditures are directed to its Chesapeake Bay restoration and education programs. Grant recipients include nonprofit organizations, civic and community groups, schools and public agencies.

## **Allegany County- \$13,835**

### **Allegany High School**

\$1,045

*For 22 students to participate in a field experience with the Karen Noonan Environmental Center.*

### **Evergreen Heritage Center Foundation**

\$10,400

*To provide teacher development training and the construction of a demonstration rain garden.*

### **Fort Hill High School**

\$2,390

*For student outdoor field experiences through the Chesapeake Bay Foundation's Port Isobel program.*

## **Anne Arundel County- \$715,947**

### **Annapolis High School**

\$285

*For program costs associated with 21 students attending an outdoor field experience.*

### **Annapolis High School**

\$227

*For costs associated with 30 students participating in the Bay Grasses in Classes field experience.*

### **Annapolis Maritime Museum**

\$25,000

*For support of the MUDDY FEET environmental education program for Annapolis area schools.*

### **Anne Arundel County Inspection Permits**

\$35,000

*For costs associated with developing watershed tree canopy goals.*

### **Anne Arundel County Public Schools**

\$50,281

*For support of the development and implementation of a comprehensive environmental literacy program.*

### **Arlington Echo Outdoor Education Center**

\$35,000

*To support the implementation of the Terrapin Connections program in 60 schools.*

# Chesapeake Bay Trust 2011 Grant Awards

## Anne Arundel County (continued)

**Arlington Echo Outdoor Education Center**  
\$30,000

*For support of the Watershed Stewards Academy.*

**Chesapeake Bay Commission**  
\$5,000

*To produce a report on Chesapeake Bay land conservation goals.*

**Chesapeake Bay Foundation**  
\$89,100

*For the creation of a 650 linear foot living shoreline project on Back Creek.*

**Chesapeake Bay Middle School**  
\$2,143

*For supplies and materials needed to establish a native plant garden.*

**Chesapeake Conservancy**  
\$4,850

*For support of communications needs and outreach materials.*

**Columbia Beach Citizens Improvement Association, Inc.**  
\$15,000

*For costs associated with the development and installation of six bioretention cells and rain gardens.*

**Davidsonville Elementary**  
\$350

*For program costs associated with 65 students participating in an oyster planting field experience.*

**Eastport Elementary School**  
\$1,658

*For costs associated with the installation of a rain garden and seven rain barrels.*

**Eastport Yacht Club Foundation**  
\$1,000

*For costs associated with elementary school student participation in a youth oyster program.*

**Friends of Kinder Farm Park**  
\$601

*For the building of a native plant garden at Kinder Farm Park.*

**Friends of Quiet Waters Park**  
\$25,000

*For costs associated with the development of a BMP demonstration at Quiet Waters Park.*

**Gingerville Manor Estates Community Association**  
\$1,917

*For the purchase of native plants and rocks associated with a native garden planting.*

**Maryland Association for Environmental and Outdoor Education**  
\$17,920

*For support of MAEOE's Educating to Sustainability Conference.*

**Maryland Association for Environmental and Outdoor Education**  
\$15,000

*For support of the 2011 Maryland Green School Youth Summit.*

**Maryland Dept. of Natural Resources**  
\$10,535

*For the construction of a natural play space at the Play and Learn Day Care Center.*

**Maryland Dept. of Natural Resources-Tidewater Administration**  
\$4,295

*For supplies and materials for the Bay Grasses in Classes program.*

**Olde Severna Park Improvement Association**  
\$4,000

*For costs associated with the construction of a rain garden in Severna Park.*

**Saunders Point Community Association**  
\$35,500

*For supplies and costs associated with the creation of 1,400 square feet of bioretention facilities.*

**Sherwood Forest Boys and Girls Club**  
\$1,025

*For oyster cages and spawning materials to help grow oysters in the Severn River.*

**Sherwood Forest Boys and Girls Club**  
\$1,808

*For supplies and oysters to engage students in an oyster aquaculture project.*

**Smithsonian Environmental Research Center**  
\$200,000

*For the creation of a 3,300 linear foot living shoreline project along the West River.*

**South River Federation**  
\$3,000

*For costs associated with purchasing water quality monitoring kits for the 2011 Snapshot project.*

**South River Federation**  
\$20,000

*For the design of three bioretention projects in the Arundel on the Bay community.*

**Spa Creek Conservancy**  
\$7,950

*For support of the Spa Creek Conservancy Stewards program.*

**St. Anne's Episcopal Church**  
\$7,259

*For the installation of 178 square feet of bioretention ponds.*

**St. Martin's in the Field Day School**  
\$2,163

*For a student field experience and materials for a schoolyard habitat project.*

# Chesapeake Bay Trust 2011 Grant Awards

## Anne Arundel County (continued)

**Summit School**  
\$557

*For program and transportation costs associated with a skipjack field experience to Sandy Point State Park, and a horseshoe crab raise and release project.*

**Sunset Elementary School**  
\$697

*For costs associated with the creation of a rain garden project.*

**Tyler Heights Elementary School**  
\$2,089

*For materials and supplies to construct a 450 square foot rain garden.*

**Wiley H. Bates Middle School**  
\$620

*For 40 students to attend the Chesapeake Bay Foundation's Claggett Farm Education Program.*

**West/Rhode Riverkeeper**  
\$16,798

*For the development and support of the West/Rhode River Report Card and evaluation efforts.*

**West/Rhode Riverkeeper**  
\$40,319

*For contractor and supply costs associated with the creation of a stormwater wetland system.*

## Baltimore County- \$579,089

**Alliance for the Chesapeake Bay**  
\$4,745

*For support of scholarships and communications materials for an environmental education conference.*

**Alliance for the Chesapeake Bay**  
\$17,500

*For a forest assessment plan, program costs and supplies to support the Baltimore County Forestry Collective Management project.*

**Baltimore County Department of Environmental Protection and Resource Management**  
\$35,000

*For costs associated with the creation of a Small Watershed Action Plan (SWAP) for the Middle River and Tidal Gunpowder watersheds.*

**Baltimore County Department of Environmental Protection and Resource Management**  
\$100,000

*For contractor costs and materials associated with the creation of 1,531 linear feet of living shoreline at Essex Skypark.*

**Back River Restoration Committee**  
\$3,366

*For equipment and materials associated with the annual Back River Cleanup.*

**Back River Restoration Committee**

\$10,600

*For program costs to support the Downspout Disconnection and Stormwater Awareness Program.*

**Back River Restoration Committee**

\$50,000

*For operational costs to support three behavior change campaigns in the Tidal Back River watershed.*

**Baltimore County Department of Environmental Protection and Sustainability**

\$35,000

*For costs associated with the design of eight stormwater management practices.*

**Belair-Edison Neighborhoods, Inc.**

\$31,320

*For green street designs along a portion of Erdman Avenue in Baltimore.*

**Bentalou Elementary School**

\$2,300

*For program costs associated with two outdoor field experiences to Ft. McHenry wetland and Sandy Point State Park.*

**Catonsville Elementary School**

\$1,000

*For program costs for 73 students to participate in a Living Classrooms field experience.*

**Catonsville Middle School**  
\$5,000

*For program costs for 200 students to attend a NorthBay Adventure field experience.*

**Chesapeake Stormwater Network**

\$12,000

*For costs to support the Stormwater Nutrient Reduction Webcasts program in Maryland.*

**Clean Water Fund**

\$3,926

*For costs associated with the creation of the Cherry Hill Watershed Action Plan.*

**Cromwell Valley Elementary School**

\$4,800

*For program fees for a three-day environmental education experience at Camp Wo-Me-To and material costs for a storm drain mural painting project.*

**Dundalk Elementary School**

\$1,354

*For costs associated with installing a native plant garden at Dundalk Elementary School.*

**Dundalk Renaissance Corporation**

\$10,000

*For materials and trees needed for the Greening of Dundalk volunteer initiative.*

# Chesapeake Bay Trust 2011 Grant Awards

## **Baltimore County** (continued)

**Eastwood Elementary Magnet School**  
\$2,300

*For program fees to participate in the National Aquarium's Aquapartners program.*

**Eastwood Elementary Magnet School**  
\$456

*For program costs for 28 students to attend an outdoor field experience as well as materials for reef balls.*

**Emmanuel Lutheran School**  
\$2,050

*For program costs for 20 students to attend an outdoor field experience.*

**Emmanuel Lutheran School**  
\$2,095

*For program costs involved in a three day field experience at the Karen Noonan Center.*

**Emmanuel Lutheran School**  
\$168

*For costs for 12 seventh graders to participate in a Bay Grasses in Classes field experience.*

**Emmanuel Lutheran School**  
\$3,100

*For program costs associated with a student tree planting.*

**Friends School of Baltimore**  
\$2,960

*For program costs for 70 fifth graders to participate in a Wye Island field experience.*

**Friendship Academy of Science and Technology, #338**  
\$3,000

*For costs associated with sending 70 students to participate in a three day outdoor field experience at NorthBay.*

**Grange Elementary School**  
\$138

*For costs for 15 fourth and fifth grade students to participate in a Bay Grasses in Classes planting project.*

**Greater Homewood Community Corporation, Inc.**  
\$8,100

*For tree and other supply costs associated with plantings in Barclay Park.*

**Gunpowder Valley Conservancy**  
\$18,684

*For supplies and costs associated with six acres of reforestation within the Gunpowder River watershed in Baltimore County.*

**Gunpowder Valley Conservancy**  
\$3,000

*For staff and production costs to construct two permaculture gardens.*

**Halstead Academy**  
\$2,430

*For students to participate in a Martha Lewis Skipjack Discovery Bay Patrol Program outdoor field experience.*

**Halstead Academy**  
\$3,600

*For program costs for 72 students to attend an outdoor field experience.*

**Halstead Academy**  
\$4,100

*For program costs for 75 students to attend a Living Classrooms outdoor field experience.*

**Hannah More School**  
\$350

*For program costs for 30 students to attend an outdoor field experience at the Smithsonian Environmental Research Center.*

**Hereford Middle School**  
\$2,000

*For program costs for the Bay Days field experiences for over 300 students.*

**Hereford Middle School**  
\$150

*For costs for 15 middle school students to participate in a Bay Grasses in Classes field experience.*

**Immaculate Conception School**  
\$1,957

*For program costs for 71 fifth graders to participate in a Living Classrooms Foundation field experience.*

**Lutherville Lab for Science, Mathematics and Communications**

\$1,324

*For support of the Trout in the Classroom Raise and Release project, including monitoring equipment and costs for the release field experience.*

**Lutherville Lab for Science, Mathematics and Communications**

\$1,380

*For costs associated with sending 100 students to attend an outdoor field experience at the Arthur Sherwood Center and for stormdrain stenciling supplies.*

**Lutherville Lab for Science, Mathematics and Communications**

\$325

*For costs for 100 third, fourth and fifth graders to participate in a Bay Grasses in Classes field experience.*

**Maryland Dept. of Natural Resources**

\$60,275

*For production costs associated with the bypass of White Hall Dam on the Gunpowder Falls.*

**MPT Foundation**

\$13,000

*For support of production and broadcasting of the nonprofit volunteer-a-thon and Chesapeake Bay Week 2011.*

# Chesapeake Bay Trust 2011 Grant Awards

## Baltimore County (continued)

**National Aquarium in Baltimore**  
\$1,000

*For supply costs associated with an invasive species removal and park clean-up.*

**Pleasant Plains Elementary School**  
\$2,080

*For program costs for 75 students to participate in a Discovery Bay Patrol outdoor field experience.*

**Parks & People Foundation**  
\$13,563

*For support of the Children in Nature Baltimore City Conference.*

**Parks & People Foundation**  
\$8,155

*For materials and costs associated with the Community Greening Resource Network.*

**Patterson Park Neighborhood Association**  
\$33,260

*For materials and costs associated with plantings for a community-based greening initiative.*

**Perry Hall Improvement Association**  
\$1,552

*For materials such as native trees, mulch, gator bags and tree ties for a tree planting project in Perry Hall.*

**Pleasant Plains Elementary School**  
\$2,700

*For program fees for 65 students to participate in the Potomac River Program.*

**Pleasant Plains Elementary School**  
\$3,255

*For program costs to send 75 fourth grade students to the Living Classrooms Foundation Educational Program for an outdoor field experience.*

**Pleasant Plains Elementary School**  
\$3,240

*For program costs to send 80 fifth grade students to the Arthur Sherwood Center for an outdoor field experience.*

**Pleasant Plains Elementary School**  
\$612

*For program costs for 68 kindergarten students to attend an outdoor field experience.*

**Prettyboy Watershed Alliance**  
\$5,000

*For cost associated with conducting communications and outreach work.*

**Reservoir Hill Improvement Council**  
\$23,670

*For trees and planting supplies for the JFWA/Americorps maintenance crew.*

**Rosedale Center for Alternative Studies**  
\$5,000

*For costs involved in taking students to tree plantings and stream clean-up events.*

**Rosedale Center for Alternative Studies**  
\$1,400

*For costs to support a reforestation project with youth volunteers.*

**Rosedale Center for Alternative Studies**  
\$3,000

*For costs for 250 students to participate in 20 days of service projects.*

**St. Mark School**  
\$406

*For costs for 15 students to participate in a Bay Grasses in Classes planting experience.*

**St. Paul's School**  
\$1,315

*For program costs for students to participate in a Living Classrooms Foundation field experience.*

**The Crossroads Center**  
\$350

*For program costs for teachers to participate in a Chesapeake Bay Foundation professional development workshop.*

**Trout Unlimited-Maryland Chapter**  
\$3,000

*For native tree costs associated with a volunteer planting along the Gunpowder River.*

**Western School of Technology & Environmental Science**  
\$1,488

*For planting and supply costs involved in a bay grasses planting.*

**Western School of Technology & Environmental Science**  
\$190

*For costs for 15 ninth graders to participate in a Bay Grasses in Classes field experience.*

## Baltimore City-\$334,381

**Armistead Gardens Elementary/Middle School**  
\$440

*For 45 fourth grade students to participate in a Chesapeake Bay Foundation outdoor field experience.*

**Banner Neighborhoods Community Corporation**  
\$15,000

*For costs associated with planting 40 trees in the C.A.R.E. and McElderry Park communities, including planting supplies, trees and educational materials.*

# Chesapeake Bay Trust 2011 Grant Awards

## Baltimore City (continued)

**C.A.R.E Community Association**  
\$4,360

*For supplies to support an outreach and community engagement initiative on North Duncan Street in Baltimore City.*

**Carnegie Institution for Science, Department of Embryology**  
\$30,000

*For support of the Your Watershed Your Backyard program with Baltimore City Schools.*

**Civic Works, Inc.**  
\$31,776

*For costs associated with the development of a rainwater irrigation system at Real Food Farms.*

**Civic Works, Inc.**  
\$30,000

*For the design of stormwater management practices at Real Food Farms.*

**Civic Works, Inc.**  
\$5,000

*For rain garden and educational costs associated with Heritage High School students at Real Food Farms.*

**Coldstream Park Elementary-Middle School**  
\$2,300

*For support of fourth and fifth grade education programs with the National Aquarium at Ft. McHenry and Sandy Point State Park.*

**Graceland Park-O'Donnell Heights Elementary School**  
\$5,000

*For costs associated with 18 students participating in a NorthBay Adventure Camp field experience.*

**Herring Run Watershed Association**  
\$50,000

*For costs associated with the construction of six previously-identified bioretention and rain garden facilities at Baltimore City schools.*

**Herring Run Watershed Association**  
\$35,000

*For program costs, trees, supplies and outreach materials for plantings at schools, parks and in residential areas.*

**Mount Washington Preservation Trust**  
\$4,000

*For planting and construction costs associated with the creation of a demonstration rain garden.*

**National Aquarium in Baltimore**  
\$11,282

*For costs to support the Westport Academy and Westport Waterfront Partnership student-led shoreline restoration project.*

**National Aquarium in Baltimore**  
\$2,000

*For costs to support an Atlantic white cedar restoration project at Nassawango Creek Preserve.*

**Neighborhood Design Center**  
\$5,000

*For facilitation of a "Green Master Plan" for the Patterson Park Neighborhood in Baltimore.*

**Parks & People Foundation**  
\$2,218

*For costs associated with the creation of a schoolyard habitat project, and associated costs for Project BLUE.*

**Parks & People Foundation**  
\$2,000

*For costs to create gardens and tree plantings at three sites within Baltimore City.*

**Patapsco Elementary/Middle School**  
\$281

*For supplies associated with the construction of a native plant garden on school property.*

**Patterson Park Audubon Center**  
\$19,510

*For program costs to support the Audubon Watershed Experience with Baltimore City Schools.*

**Southeast Community Development Corporation**  
\$25,445

*For costs of trees, planting supplies, and interpretive signage for plantings in Highlandtown.*

**Southeast Community Development Corporation**  
\$20,000

*For design of bioretention cells and storm drain infrastructure.*

**Southeast Community Development Corporation**  
\$14,690

*For the design of landscaped curb extensions within the Ellwood Park/McElderry Park neighborhoods.*

**St. Casimir Catholic School**  
\$2,000

*For program costs for Pre-K through third grade students to participate in the Audubon Experience at Patterson Park.*

**St. Ignatius Loyola Academy**  
\$3,056

*For program fees and costs associated with the oyster reef restoration field experience by the Living Classrooms Foundation.*

**The Green School of Baltimore**  
\$1,350

*For program costs for 18 teachers to participate in a Chesapeake Bay Foundation professional development workshop.*

# Chesapeake Bay Trust 2011 Grant Awards

## **Baltimore City** (continued)

**The Park School**  
\$2,900

*For program costs for 19 students to attend three outdoor field experiences, as well as costs for a native planting project.*

**Tuerk House**  
\$8,770

*For planting supplies and additional costs associated with creating a community green space.*

**Waldorf School of Baltimore**  
\$1,003

*For costs and fees associated with a Bay grasses student field experience.*

## **Calvert County- \$9,761**

**Calvert County Public Schools**  
\$4,700

*For educational programming costs for 1,450 students to participate in an outdoor field experience at Flag Ponds Natural Area.*

**Dowell Elementary School**  
\$2,280

*For program costs for 110 students to attend an outdoor field experience and participate in a native planting project.*

**Mutual Elementary School**  
\$1,941

*For costs for 112 students to attend an outdoor field experience and participate in a native planting project.*

**Patuxent High School Environmental Center**  
\$840

*For costs associated with a planting on school property, including native plants, peat moss and soil conditioner.*

## **Capital Area- \$8,380**

**D.C. Environmental Education Consortium**  
\$2,780

*For program, water quality test kits, watershed model construction and maps to support a professional development workshop for 50 teachers.*

**Kimball Elementary School**  
\$1,600

*For program costs for students to participate in the Pontoon Boat Program and the River Habitat Program.*

**National Wildlife Federation**  
\$4,000

*For program costs for field experiences highlighting best management practices during the Spitfires Strategy workshop.*

## **Caroline County- \$12,435**

**Caroline County Public Schools**  
\$5,000

*For program costs for 413 students to attend an outdoor field experience aboard the Schooner Sultana.*

**Caroline County Public Schools**  
\$4,898

*For program costs and plant materials associated with a service learning project for fifth grade students.*

**North Caroline High School**  
\$2,537

*For three water monitoring probes for a yearlong student-led water quality investigation.*

## **Carroll County- \$81,490**

**Boy Scouts of America Venturing Crew 202**  
\$22,987

*For supplies associated with the reforestation of three acres of mowed turfgrass at Freedom Park.*

**Boy Scouts of America Venturing Crew 202**  
\$1,750

*For plants, fertilizer and program costs associated with a submerged aquatic vegetation planting.*

**Carroll County Government**  
\$27,177

*For costs associated with a stream corridor assessment in a portion of Snowden's Run.*

**Chesapeake Bay Foundation**  
\$25,000

*For supplies and program support associated with the reforestation of 10 acres of pasture within the Monocacy watershed in Carroll County.*

**Francis Scott Key High School**  
\$860

*For costs associated with installing and maintaining a new recirculating aquaculture system to raise striped bass.*

**Francis Scott Key High School**  
\$353

*For programs costs for 27 students to participate in a Bay Grasses in Classes field experience.*

**Gateway School**  
\$1,850

*For professional development course fees, native plant garden maintenance supplies and bay grasses and horseshoe crab student project materials.*

**Manchester Valley High School**  
\$85

*For lab supplies associated with a student project to test the effects of fertilizer and compost on wetland plants.*

# Chesapeake Bay Trust 2011 Grant Awards

## Carroll County (continued)

Wesley United Methodist Church

\$1,428

For supplies associated with a one acre meadow restoration at Ebb Valley Elementary School.

## Cecil County- \$211,933

Bohemia Manor Middle School

\$2,225

For program costs for 100 students to participate in a field experience at Port Isobel.

Cecil County Public Schools

\$108,908

For support of a three-year initiative to develop and implement an environmental literacy program in Cecil County Public Schools.

Cecil County Forest Conservancy District Board/Cecil County Forestry Board

\$250

For costs associated with the purchase of 14 native trees and shrubs to be planted by kindergarten students.

Gilpin Manor Elementary School

\$2,800

For program costs for 65 fourth grade students to participate in a field experience aboard the Martha Lewis Skipjack.

North East Middle School

\$100

For costs associated with a Bay Grasses in Classes field experience for middle school students.

Sassafras River Association

\$12,650

For program costs associated with the installation of rain gardens, rain barrels and runoff control measures.

Sassafras River Association

\$50,000

For program costs to support behavior change campaigns encouraging green lawn care practices in the Sassafras River Watershed.

Sassafras River Association

\$35,000

For costs associated with the design of a regenerative stormwater conveyance to be implemented in Coppin Creek.

## Charles County- \$30,068

Charles Soil Conservation District

\$30,068

For costs associated with the restoration of 1.25 acres of floodplain wetlands.

## Dorchester County- \$198,797

Dorchester Soil Conservation District

\$1,723

For costs associated with the Dorchester Soil Conservation District's Land & Water Connection's program for 36 middle schools students to participate in a multi-day outdoor field experience.

Dorchester Soil Conservation District

\$40,000

For costs associated with the establishment of over 37 acres of riparian grass buffers.

Ducks Unlimited

\$25,000

For costs associated with a 56 acre wetland restoration at Blackwater National Wildlife Refuge.

Ducks Unlimited

\$24,870

For supplies and costs associated with the restoration of four acres of wetlands.

Nanticoke Watershed Alliance

\$32,400

For the completion of a green infrastructure plan for the Nanticoke River watershed.

Nanticoke Watershed Alliance

\$16,000

For costs in support of the Nanticoke Creekwatchers Citizen Water Monitoring Program.

Nanticoke Watershed Alliance

\$41,800

For costs to support a pilot project for targeted outreach to farmers and to provide technical assistance.

University of Maryland Center for Environmental Science (UMCES)

\$17,004

For costs associated with a homeowner behavior change project designed to improve the Chesapeake Bay watershed.

## Frederick County- \$101,181

Center for Watershed Protection, Inc.

\$19,919

For costs associated with the development of communication materials for the restoration of the Linganore Creek Watershed.

Deer Crossing Elementary School

\$1,950

For costs involved in the creation of a schoolyard habitat project.

Global Wildlife Trust at Catoctin Preserve and Zoo

\$3,471

For native vegetation, planting supplies, rain barrels and restoration project signage materials for a series of plantings.

# Chesapeake Bay Trust 2011 Grant Awards

## Frederick County (continued)

### HandsOn Frederick County \$2,000

For costs to implement a 1,000 linear foot soil stabilization project along Carroll Creek.

### Middletown High School \$1,996

For costs involved in a school-yard habitat project including native trees, shrubs, plants, soil amendments.

### New Market Middle School \$500

For program costs for 77 middle school students to attend an outdoor field experience with the Chesapeake Bay Foundation.

### New Market Middle School \$1,000

For plants and supplies associated with the creation of rain gardens.

### New Midway/Woodsboro Elementary School \$2,000

For materials and supplies needed for the installation of a rain garden.

### New Midway/Woodsboro Elementary School \$2,000

For program costs associated with a Chesapeake Bay Foundation professional development program for 18 teachers.

### Potomac Conservancy \$29,975

For costs associated with the restoration of 3.8 miles of fish passage to Clifford Branch.

### Potomac Conservancy \$25,000

For costs associated with the restoration of 800 linear feet of Tuscarora Creek.

### Trout Unlimited \$11,370

For support of the Brook Trout Restoration and Outreach Project in the Little Tuscarora Creek.

## Garrett County- \$60,012

### Crellin Elementary School \$2,400

For 84 students to participate in six outdoor field experiences to Canaan Valley Institute.

### Grantsville Elementary School \$1,961

For costs associated with the creation of four schoolyard habitat projects, including rain gardens, and tree buffer and wetland planting.

### University of Maryland Center for Environmental Science (UMCES) \$33,651

For costs to support the PIERS program for Garrett County Schools.

### Western Maryland Resource Conservation & Development Council, Inc. \$22,000

For costs associated with a stream restoration design for 1,000 linear feet along the Savage River.

## Harford County- \$15,408

### Eden Mill Nature Center \$4,678

For costs associated with the creation of a 3,000 square foot native windbreak at Eden Mill Nature Center.

### Harford County Government \$10,000

For costs associated with the development of the Plumtree Run Small Watershed Action Plan.

### The Izaak Walton League of America \$565

For support for a stream buffer restoration project.

### Trinity Lutheran School \$165

For program costs for 30 students to participate in a Bay Grasses in Classes planting project.

## Howard County- \$73,418

### Burleigh Manor Middle School \$1,055

For costs associated with equipment needs to raise trout for the Trout in the Classroom program.

### Columbia Association \$50,000

For costs to support a behavior change campaign to encourage the installation of rain gardens and infiltration trenches in Columbia, MD.

### Dayton Oaks Elementary School \$1,121

For supplies and equipment for 90 students to build oyster reef balls.

### Ellicott Mills Middle School \$3,000

For support of program costs for 240 seventh graders to participate in an outdoor field experience at NorthBay Adventure camp.

### Ellicott Mills Middle School PTA \$168

For program costs for 22 seventh graders to participate in a Bay Grasses in Classes outdoor field experience.

### Glenwood Middle School \$143

For program costs for 28 students to participate in a Bay Grasses in Classes planting project.

# Chesapeake Bay Trust 2011 Grant Awards

## Howard County (continued)

**Hammond Middle School**  
\$130

*For program costs for students to participate in a Bay Grasses in Classes outdoor field experience.*

**Ilchester Elementary School**  
\$171

*For program costs associated with a Bay Grasses in Classes outdoor field experience.*

**Murray Hill Middle School**  
\$954

*For costs associated with caring for trout as part of the Trout in the Classroom program.*

**Talbott Springs Elementary School**  
\$873

*For program costs for an outdoor field experience and native planting at the Smithsonian Environmental Research Center.*

**Talbott Springs Elementary School**  
\$1,110

*For program costs for 85 fourth graders to participate in an outdoor field experience at the Smithsonian Environmental Research Center.*

**Triadelphia Ridge Elementary School**  
\$143

*For program costs for 18 fourth graders to participate in a Bay Grasses in Classes field experience.*

**University of Maryland-  
Department of Animal and  
Avian Sciences**  
\$10,000
