

**T**he Chesapeake Bay Trust ([www.cbtrust.org](http://www.cbtrust.org)) is a nonprofit, grant-making organization dedicated to improving the Chesapeake Bay and its rivers through environmental education, community outreach, and local watershed restoration. Created by the Maryland General Assembly in 1985, the Trust has awarded \$50 million in grants and engaged hundreds of thousands of citizen stewards in projects that have a measurable impact on the Chesapeake Bay and its tributaries.

## \$50 million in Grants

60 West Street, Suite 405  
 Annapolis, MD 21401  
 PH: 410-974-2941 | FX: 410-269-0387  
[www.cbtrust.org](http://www.cbtrust.org)

In 2012, the Chesapeake Bay Trust awarded \$5.8 million throughout the region through its competitive grant programs and special initiatives. These efforts included 322 grants to nonprofit organizations, civic and community groups, schools and public agencies. Additionally the Trust also managed individual programs that included its Chesapeake Conservation Corps program, Environmental Education capacity building and training, urban green jobs training, and more. In 2012, these efforts engaged 30,000 community volunteers who donated over 50,000 hours; educated 83,000 K-12 students using the outdoors as a classroom; hosted over 1,200 events and workshops that educated another 34,000 attendees; and planted 179,000 native trees and plants to restore 107 acres of forest buffer, wetlands, and other habitats while installing another four acres of innovative green infrastructure practices.

The Trust is supported by sales of the Maryland Treasure the Chesapeake license plate, donations to the Chesapeake Bay and Endangered Species Fund on the Maryland State income tax form, donations from individuals and corporations, and partnerships with private foundations and federal and state agencies. Almost 90 percent of the Trust's expenditures are directed to its Chesapeake Bay restoration and education programs and for the 10<sup>th</sup> consecutive year, the Trust has received a "Four Star Rating" from Charity Navigator, placing the organization in the top 1% of charities nationwide.

### Allegany County- \$208,059

Allegany County Public Schools  
\$1,549

*For costs associated with a meaningful watershed education experience and schoolyard materials to educate 100 students.*

Allegany County Public Schools  
\$2,021

*For costs associated with funding a meaningful watershed education experience and schoolyard materials to educate 120 students.*

Allegany County Public Schools  
\$1,649

*For costs associated with providing a meaningful watershed education experience and schoolyard materials to educate 110 students.*

Allegany County Public Schools  
\$131,829

*For support of the development and implementation of an Environmental Literacy Program in Allegany County Public Schools.*

Allegany County Public Schools  
\$2,800

*For program fees and costs for Braddock Middle School students to attend an environmental education field experience.*

Allegany County Public Schools  
\$2,800

*For program fees and costs for middle school students to attend an environmental education field experience.*

Cash Valley Elementary School  
\$919

*For native plants, drain stencils and planting supplies associated with a student-led riparian buffer planting project.*

**Allegany County-**  
**(continued)**

**City of Cumberland**  
**\$12,826**

*For costs associated with the planting of trees and educational materials for residents.*

**City of Cumberland**  
**\$21,750**

*For costs to support the Residential Tree Planting Program and to engage local citizens.*

**Department of Juvenile Services, Meadow Mountain Youth Center**  
**\$2,950**

*For materials associated with the Grow-out environmental education project for 90 youth.*

**University of Maryland Center for Environmental Science (UMCES)**  
**\$26,966**

*For support of the expansion of the PIERS program and development of new schoolyard curriculum and student field experiences.*

**Anne Arundel County-**  
**\$613,962**

**Arlington Echo Outdoor Education Center**  
**\$1,245**

*For costs associated with supporting 30 students to plant over 1,000 native plants.*

**Alliance for the Chesapeake Bay, Inc.**  
**\$4,870**

*For support for the 6<sup>th</sup> Annual Chesapeake Watershed Forum.*

**Anne Arundel County Public Schools**  
**\$49,976**

*For support of the development and implementation of a comprehensive environmental literacy program for Anne Arundel County Public Schools.*

**Annapolis Cove Property Owners Association**  
**\$40,000**

*For a living shoreline project in the Annapolis Cove community.*

**Annapolis Maritime Museum**  
**\$4,000**

*For program costs for 100 second and third grade students to attend an environmental education field experience at the Annapolis Maritime Museum.*

**Annapolis Middle School Parent Teacher Student Association**  
**\$1,000**

*For costs associated with native plants and trees to support a native planting project on school grounds with students and volunteers.*

**Chesapeake Bay Foundation**  
**\$25,722**

*For support of teacher professional development for grades sixth through eighth in Anne Arundel County Public Schools.*

**Crofton Civic Association**  
**\$15,010**

*For costs associated with the installation of a bioretention cell in the Crofton community.*

**Folger McKinsey Elementary School**  
**\$4,959**

*For costs and program fees for 545 students to attend two field experiences as well as create a schoolyard habitat and wetland demonstration project.*

**Fort Smallwood Elementary School**  
**\$2,000**

*For native plants and soil to support a schoolyard habitat project with 425 elementary school students.*

**Indian Creek Upper School**  
**\$2,555**

*For costs associated with funding 103 students to participate in a school yard restoration project.*

**Lower Magothy Community Association, Inc.**  
**\$2,260**

*For costs to install biodegradable logs on the community beach as part of a living shoreline project.*

**Magothy Beach Improvement Association**  
**\$100,000**

*For a 220 linear foot living shoreline project on community property in lower Magothy Beach.*

**Maryland Association for Environmental and Outdoor Education (MAEOE)**  
**\$5,000**

*To support the Chesapeake Conservation Corps program and coordinate its volunteers.*

**Olde Severna Park Improvement Association, Inc.**  
**\$500**

*For costs to eradicate invasive species in wetlands located in Olde Severna Park.*

**Severn River Association, Inc.**  
**\$4,220**

*For the design and installation of six environmental education interpretive signs throughout Jonas Green Park on the Severn River.*

**Severn River Association, Inc.**  
**\$7,100**

*For the establishment of 100 linear feet of living shoreline on the Severn River in Annapolis.*

**Severn River Association, Inc.**  
**\$7,500**

*For the restoration of 100 linear feet of living shoreline on the Severn River in Annapolis.*

**Severn Riverkeeper Program**  
**\$18,784**

*For design costs associated with a 400 linear foot living shoreline project along the Severn River.*

**Anne Arundel County-**  
**(continued)**

**Shady Side Rural Heritage Society, Inc.**  
**\$25,000**

*For the implementation of the second phase of a stormwater retrofit at the Salem Avery Museum.*

**Smithsonian Environmental Research Center (SERC)**

**\$41,931**

*For materials and costs associated with expanding a living shoreline project at SERC along the West River.*

**South River Federation**

**\$50,000**

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**South River Federation**

**\$1,250**

*For supplies to support a water quality monitoring project and efforts to identify septic contribution.*

**South River Federation**

**\$27,000**

*For costs involved in the design and permitting of a floodplain reconnection project.*

**South River Federation**

**\$12,880**

*For costs and materials associated with the creation of 240 linear feet of living shoreline on the South River.*

**South River Federation**

**\$25,000**

*For costs associated with building a bioretention system at Homestead Gardens.*

**South River Federation**

**\$2,000**

*For costs to implement a rain garden, rain barrels and a swale at Arundel Lodge.*

**St. Anne's Day School**

**\$110**

*For program fees for 22 students to attend a meaningful environmental education field experience.*

**St. Martin's In the Field Day School**

**\$1,150**

*For program costs associated with sending 54 students to participate in an environmental education field experience as well as rain garden and storm stenciling supplies.*

**Summit School**

**\$729**

*For costs associated with sending 41 students on an environmental education program.*

**Summit School**

**\$470**

*For costs associated with sending 41 students on an environmental field experience.*

**Sunset Elementary School**

**\$1,055**

*For costs associated with supporting a native planting and outdoor field experience for kindergarten through fifth graders.*

**Sylvan View Community Association**

**\$1,000**

*For native plants, shrubs, and trees to support erosion control efforts at a public beach in the Sylvan View Community.*

**University of Maryland Master Gardeners**

**\$627**

*For costs associated with a three day stormwater course for Anne Arundel County Master Gardeners.*

**Watershed Stewards Academy**

**\$10,000**

*For support for the Fostering Behavior Change in Communities project with the Watershed Stewards Academy.*

**West/Rhode Riverkeeper, Inc.**

**\$25,000**

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**West/Rhode Riverkeeper, Inc.**

**\$759**

*For costs associated with rain barrel materials for a rain barrel workshop.*

**West/Rhode Riverkeeper, Inc.**

**\$39,850**

*For costs associated with the creation of a 410 linear foot living shoreline project on the West River.*

**West/Rhode Riverkeeper, Inc.**

**\$1,950**

*For costs associated with the installation of two educational signs for a rain garden site.*

**West/Rhode Riverkeeper, Inc.**

**\$13,000**

*For costs to support the 2012 West/Rhode River Report Card and Volunteer Water Quality Monitoring Program.*

**West/Rhode Riverkeeper, Inc.**

**\$32,500**

*For costs associated with the design and creation of the West/Rhode Riverkeeper Annual Report Card.*

**Winchester on the Severn Community Association**

**\$4,000**

*For costs associated with creating a 650 square foot rain garden.*

**Baltimore County-  
\$378,869**

**Baltimore County Department  
of Environmental Protection and  
Sustainability**

**\$100,000**

*For costs associated with conducting a study on self-converted detention ponds.*

**Baltimore County Department of  
Environmental Protection and  
Sustainability**

**\$30,000**

*For costs to complete a Small Watershed Action Plan for the Middle Gwynns Falls.*

**Baltimore County Department of  
Environmental Protection and  
Sustainability**

**\$35,000**

*For costs associated with restoration designs for Herring Run at Overlook Park.*

**Baltimore County Department of  
Environmental Protection and  
Sustainability**

**\$35,000**

*For costs associated with the development of a watershed plan in Baltimore County.*

**Baltimore County Department of  
Recreation & Parks**

**\$13,336**

*For costs associated with a 350 linear foot living shoreline project at Stansbury Park in Baltimore County.*

**Bentalou Elementary School**

**\$1,400**

*For costs of an environmental field experience to Ft. McHenry and Sandy Point State Park for 100 students.*

**Blue Water Baltimore**

**\$50,000**

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**Catonsville Elementary School**

**\$446**

*For costs associated with sending 70 students on an environmental education field experience.*

**Catonsville Middle School**

**\$5,000**

*For program costs for 200 sixth grade students to attend an environmental education field experience.*

**Cromwell Valley Elementary School**

**\$4,800**

*For costs associated with sending 73 students to attend a meaningful outdoor experience and participate in native tree planting.*

**Dundalk Renaissance Corporation**

**\$5,000**

*To support the Chesapeake Conservation Corps Program and coordinate its volunteers.*

**Eastwood Elementary Magnet School**

**\$210**

*For costs for 30 fourth grade students to attend a meaningful watershed experience in the Baltimore Harbor.*

**Emmanuel Lutheran School**

**\$2,330**

*For program costs for 25 sixth grade students to attend an environmental field experience to Smith Island.*

**Emmanuel Lutheran School**

**\$3,112**

*For costs associated with a tree planting in Susquehanna State Park by 25 students.*

**Gunpowder Valley Conservancy**

**\$25,000**

*For costs associated with the Bay-Wise Market Research in the Middle River and the Tidal Gunpowder Watersheds project.*

**Gunpowder Valley Conservancy**

**\$23,200**

*To fund the reforestation of seven acres of protected land within the Gunpowder watershed.*

**Halstead Academy**

**\$2,388**

*For costs associated with sending 180 students on an environmental education field experience.*

**Halstead Academy**

**\$4,590**

*For costs associated with sending 116 students on environmental education field experiences.*

**Halstead Academy**

**\$2,001**

*For costs for 116 students to attend an environmental field experience at SERC.*

**Halstead Academy**

**\$2,700**

*For costs associated with sending 71 students to attend the Potomac River Program with the Chesapeake Bay Foundation.*

**Hereford Middle School**

**\$4,028**

*For costs to support environmental education field experiences for 284 students.*

**Immaculate Conception School**

**\$1,957**

*For costs to send 72 students on a meaningful outdoor watershed experience.*

**Loch Raven Technical Academy**

**\$5,000**

*For program fees for 100 sixth grade students to attend an environmental education field experience.*

## Baltimore County- (continued)

### Pleasant Plains Elementary School

\$2,450

*For costs associated with sending 77 second graders on a meaningful watershed experience.*

### Pleasant Plains Elementary School

\$3,320

*For costs associated with sending 88 fifth graders to attend an environmental education field experience.*

### Pleasant Plains Elementary School

\$2,224

*For costs for 128 students to attend a meaningful watershed experience at SERC and Claggett Farm.*

### Pleasant Plains Elementary School

\$2,000

*For costs associated with the building of an in-class aquatic lab for both Halstead and Pleasant Plains students.*

### Pleasant Plains Elementary School

\$2,700

*For costs for three Potomac River Program field experiences for 68 students.*

### Rosedale Center for Alternative Studies

\$2,500

*For costs for 250 youth to participate in restoration activities along the Gunpowder River.*

### School of Living

\$3,077

*For costs involved in the creation of a lined catch basin at Heathcote Community.*

### St. Mark School

\$1,150

*For fees for outdoor education field experiences with 120 fourth and fifth grade students.*

### St. Paul's School

\$1,698

*For costs associated with an outdoor field experience led by Living Classrooms.*

### Western School of Technology & Environmental Science

\$1,252

*For costs associated with a native tree planting conducted by 60 students.*

## Baltimore City- \$566,029

### Academy for College and Career Exploration

\$1,430

*For costs associated with the planting of trees and native plants for rain gardens installed by 400 students.*

### Baltimore Tree Trust

\$3,575

*For tree pit costs that engaged 15 students and 60 volunteers.*

### Baltimore City Department of Recreation and Parks

\$9,370

*For support of the Canoe and Scoop program that engaged 50 students and 600 volunteers.*

### Banner Neighborhoods Community Corporation

\$15,000

*For support of the East McElderry Park Trash Eradication and Watershed Education project.*

### Belair - Edison Neighborhoods, Inc.

\$20,000

*For costs involved in the development of green infrastructure in Baltimore City.*

### Belair - Edison Neighborhoods, Inc.

\$34,950

*For costs associated with the completion of a blue alley in Baltimore City.*

### Blue Water Baltimore

\$1,374

*For costs associated with trash removal projects as part of Project Clean Stream.*

### Blue Water Baltimore

\$29,588

*For the removal of 9,500 square feet of impervious surface and the installation of green space including 200 square feet of rain garden.*

### Blue Water Baltimore

\$30,500

*For costs to implement tree programs at Baltimore-area schools and parks.*

### Blue Water Baltimore

\$15,000

*For supplies to support the first State of the Harbor Report Card: Water Quality Monitoring & Outreach on Baltimore's Patapsco River project.*

### Blue Water Baltimore

\$20,550

*For the removal of pavement at Cross Country Elementary School and to replant the site with native plants.*

### Blue Water Baltimore

\$15,000

*For costs to support the Clean Water Community Initiative: Trash Behavior Change project on trash and litter behavior campaigns.*

### Carnegie Institution for Science, Department of Embryology

\$32,000

*For support of the Your Watershed, Your Backyard program with Baltimore City schools.*

### Center for Watershed Protection, Inc.

\$25,000

*For costs and supplies for the From the Sink to the Bay project.*

**Baltimore City-**  
**(continued)**

**Friendship Academy of Science and Technology, #338**  
\$5,000

*For program costs for 60 sixth grade students to attend an outdoor field experience at the NorthBay Educational Center.*

**Graceland Park - O'Donnell Heights Elementary School**  
\$5,000

*For costs for 20 sixth grade students to attend an outdoor field experience to NorthBay Adventure Camp and supplies for planting native plants.*

**Green Street Academy**  
\$1,700

*For costs associated with planting supplies and water quality testing kits to support a native planting project with 20 middle school students.*

**Hillcrest Elementary School (PTA)**  
\$1,971

*For native trees and planting supplies to support a courtyard rain garden project with 246 first and third grade students.*

**John Eager Howard Elementary School**  
\$1,145

*For asphalt removal and native plants associated with a native garden planting at John Eager Howard Elementary School.*

**Living Classrooms Foundation**  
\$29,887

*For support of the Masonville Cove Environmental Center education program engaging teachers and students from Baltimore City schools.*

**Mergenthaler Vocational - Technical Senior High School**  
\$38,310

*For costs associated with implementing pervious pavement removal and the creation of green space on school grounds.*

**Parks & People Foundation**  
\$1,176

*For native plants and supplies to support an agro-forestry project on a vacant lot adopted by Harlem Park Elementary School.*

**Parks & People Foundation**  
\$13,975

*For costs to develop three design projects to increase infiltration of rain water in Baltimore City.*

**Parks & People Foundation**  
\$5,000

*For support of a school yard asphalt removal and restoration project at Bluford Drew Jemison STEM Academy.*

**Parks & People Foundation**  
\$35,000

*For costs involved in implementing the Power in Dirt project that engages 100 students and 1,000 volunteers.*

**Parks & People Foundation**  
\$15,000

*For support of the Watershed and Urban Ecology Experiences Program with Baltimore City schools.*

**Parks & People Foundation**  
\$5,000

*For organizational support to conduct a schoolyard greening evaluation in Baltimore City schools.*

**Patterson Park Audubon Center**  
\$20,701

*For support of the Audubon Watershed Experience with Baltimore City schools.*

**Reservoir Hill Improvement Council**  
\$18,800

*For costs associated with tree planting materials to help support community outreach and tree inventory work.*

**Reservoir Hill Improvement Council**  
\$1,235

*For materials to create educational signage and a storm drain stenciling and education project.*

**Reservoir Hill Improvement Council**  
\$26,600

*For costs to support the Reservoir Hill Improvement Council Tree Steward Outreach Program.*

**Rosedale Center for Alternative Studies**  
\$5,000

*For costs for 250 students to attend three environmental field experiences to the Loch Raven Reservoir, Back and Middle Rivers and the Gunpowder River.*

**Southeast Community Development Corporation**  
\$67,100

*For costs associated with the construction of two bioretention cells.*

**The Associated Jewish Community Federation of Baltimore**  
\$10,000

*For supplies associated with a buffer restoration project in Baltimore City, including rain garden construction, pavement removal, and buffer plantings.*

**Thomas Jefferson Elementary/ Middle School**  
\$292

*For costs associated with an educational field experience to the Arthur Sherwood Center.*

**William Paca Elementary School**  
\$3,400

*For costs for 90 students to participate in a Masonville Cover Environmental Center experience with Living Classrooms.*

**Calvert County-  
\$28,616**

**American Chestnut Land Trust, Inc.**  
\$1,250

*For costs to support an interpretive signage project to educate the public about native and invasive species.*

**Calvert County Public Schools**  
\$12,875

*For support of the development of a middle school STEM program integrated with the Maryland Amphibian and Reptile Atlas Project.*

**CHESPAX - Calvert County Public Schools**  
\$4,700

*For costs associated with sending 1,450 students to attend an environmental field experience at Flag Ponds Nature Park.*

**Dowell Elementary School**  
\$1,955

*For costs for a Sultana field experience for 115 students and a student-led action project.*

**Mutual Elementary School**  
\$1,976

*For costs associated with sending 100 students on an environmental education field experience with Sultana.*

**Town of Chesapeake Beach**  
\$2,740

*For water quality sampling analysis and equipment to support a volunteer monitoring program on Fishing Creek near Chesapeake Beach.*

**Town of Chesapeake Beach**  
\$1,000

*For costs associated with supporting community volunteers for a wetland clean-up day.*

**Town of Chesapeake Beach**  
\$2,120

*For oyster cultivation floats for 50 residents in the town of Chesapeake Beach.*

**Caroline County-  
\$67,955**

**Adkins Arboretum**  
\$5,000

*To support the Chesapeake Conservation Corps program and the coordination of its volunteers.*

**Adkins Arboretum**  
\$24,905

*For the creation of a rain garden and wetland at the new Adkins Arboretum Visitor Center.*

**Adkins Arboretum**  
\$3,875

*For costs associated with installing and maintaining a native planting, as well as interpretive signage for community education.*

**Caroline County Public Schools**  
\$5,000

*For costs associated with a student service learning experience for 429 students with Chesapeake Bay Environmental Center (CBEC).*

**Colonel Richardson High School**  
\$3,363

*For costs associated with sending 40 students on an environmental education field experience to the Philip Merrill Center.*

**Eastern Shore Land Conservancy**  
\$812

*For costs associated with producing the Land Preservation Guide for landowner partners.*

**Midshore Riverkeeper Conservancy, Inc.**  
\$25,000

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**Carroll County-  
\$59,463**

**Boy Scouts of America Venturing Crew 202**  
\$22,987

*For a two acre reforestation project at Freedom Park that will engage 150 volunteers.*

**Carroll County Outdoor School**  
\$4,022

*For planting supplies associated with the grow-out of 1,338 native trees and 1,440 native plants at the school.*

**Freedom Elementary School**  
\$2,250

*For costs of a Living Classrooms environmental education field experience for 100 students.*

**The Society for Ocean Sciences**  
\$30,204

*For support of the Plankton and Nutrient Investigation program with high school teachers and students.*

**Cecil County-**  
**\$155,751**

**Housing Initiative Partnership**  
\$35,000

*For costs involved in the development of various green infrastructure practices at New East Crossing.*

**North East High School**  
\$351

*For native plants and supplies to support the implementation of a wetland project at North East High School with 175 ninth grade students.*

**North East Isles Community & Homeowners Association**  
\$100,000

*For costs associated with the creation of a 2,000 linear foot living shoreline project at North East Isles, along the North East River.*

**North East Middle School**  
\$2,400

*For costs associated with sending 28 students on an environmental education field experience at Port Isobel.*

**Town of Cecilton**  
\$18,000

*For costs to develop a subwatershed plan for the Town of Cecilton.*

**Charles County-**  
**\$12,874**

**Maurice J. McDonough High School**  
\$2,874

*For costs associated with project signage and native plants for 38 students to participate in a field investigation and rain garden project.*

**Port Tobacco River Conservancy**  
\$10,000

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**Dorchester County-**  
**\$119,053**

**Dorchester Soil Conservation District**  
\$40,000

*For support of a pilot project to investigate the use of adaptable width buffers in the agricultural community.*

**Nanticoke Watershed Alliance**  
\$25,000

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**Nanticoke Watershed Alliance**  
\$52,053

*To support technical assistance, flexible BMP standards, and targeted outreach to farmers*

*to promote the innovative use of vegetative buffer strips along agricultural ditches within the Nanticoke and Pocomoke rivers.*

**Nanticoke Watershed Alliance**  
\$2,000

*For costs to implement a public outreach campaign including collateral and a rain barrel workshop.*

**Frederick County-**  
**\$26,044**

**Catoctin High School**  
\$520

*For costs associated with sending 170 eleventh and twelfth grade students to participate in multiple field experiences with the Chesapeake Bay Foundation.*

**City of Brunswick**  
\$2,500

*For costs of pet waste stations for support of the City of Brunswick's education and outreach project.*

**Frederick County Office of Sustainability and Environmental Resources**  
\$1,230

*For costs to support a demonstration rain garden project at Catoctin Mountain Park.*

**Middletown High School**  
\$2,810

*For costs for 83 students to participate in environmental education field experiences at Fox Island, the Arthur Sherwood Center, and with Trout in the Classroom.*

**New Market Middle School**  
\$500

*For program costs for 76 seventh grade students to attend a meaningful watershed experience with the Philip Merrill Environmental Center and the Arthur Sherwood Study Center.*

**Parkway Elementary School**  
\$1,784

*For costs associated with supporting a native plant installation with 200 students from Parkway Elementary.*

**Town of Middletown**  
\$1,000

*For costs to support the sale of 50 rain barrels to Middletown residents.*

**Trout Unlimited – National**  
\$10,700

*To support the creation of stream restoration designs for 1,500 linear feet of the Little Tuscarora Creek.*

**Trout Unlimited - National**  
\$5,000

*For costs associated with planting native trees with 50 students and 75 volunteers.*

**Garrett County-  
\$12,650**

**Hickory Environmental Education Center**

\$2,650

*For costs associated with sending 315 students on an environmental field experience as well as costs involved in storm drain marker kits.*

**Savage River Watershed Association, Inc.**

\$10,000

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**Harford County-  
\$58,765**

**Harford County, Maryland**

\$35,000

*For costs associated with the development of a tree canopy assessment and goals, including a demonstration project.*

**Harford County, Maryland**

\$20,000

*For costs for the Wheel Creek Downspout Disconnection project.*

**Havre de Grace High School**

\$300

*For native plants for a schoolyard habitat project that engaged 25 students and 40 volunteers.*

**Havre de Grace High School**

\$780

*For native plants for a schoolyard habitat project that engaged 50 students and 60 volunteers.*

**Highlands School**

\$750

*For costs associated with sending 50 students on a Skipjack Martha Lewis student field experience.*

**Southampton Middle School**

\$1,935

*For native trees, shrubs and wildflowers to restore a school courtyard for use as an outdoor classroom.*

**Howard County-  
\$52,753**

**Dunloggin Middle School**

\$1,500

*For costs associated with installing native trees for a stream buffer restoration project with 186 students.*

**Friends of the Patapsco Valley Heritage Greenway, Inc.**

\$30,000

*For costs associated with the development of watershed assessments and action plans for the upland portions of the Lower Patapsco River.*

**Green Building Institute**

\$5,000

*For support of excavation and native plant costs for rain gardens at River Hill High School.*

**Talbot Springs Elementary School**

\$1,253

*For costs associated with sending 100 fourth grade students to attend an environmental education field experience at the Smithsonian Environmental Research Center.*

**University of Maryland**

\$15,000

*For support of the Increasing Adoption of Best Management Practices by Horse Farm Operators' project.*

**Kent County-  
\$190,599**

**Chester River Association**

\$50,000

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**Ducks Unlimited**

\$17,425

*For costs associated with design for four wetland restoration projects.*

**Henry Highland Garnett Elementary School**

\$2,079

*For costs for 42 students to attend an environmental education field experience at Echo Hill Outdoor School.*

**Kent County Public Schools**

\$4,500

*For costs of an environmental education field experience and a living shoreline program at Wilmer Park for 300 fourth graders.*

**Queen Anne's County Soil Conservation District**

\$3,195

*For costs associated with supporting a soil testing outreach project to residents in Queen Anne's and Kent Counties.*

**Sassafras River Association**

\$99,900

*For costs associated with implementing a phosphorus removal system to be used in agricultural practices.*

**Washington College Center for Environment & Society**

\$13,500

*For costs associated with a tree planting for Remembrance Park that will engage 60 volunteers.*

**Montgomery County-  
\$216,559**

**Audubon Naturalist Society of  
the Central Atlantic States, Inc.**  
\$3,480

*For support to engage five schools and  
500 students in the Greenkids Program.*

**Friends of Sligo Creek**  
\$3,250

*For five informational sign boxes  
to be installed in Sligo Creek Park  
as educational tools for visitors.*

**Holy Cross School**  
\$658

*For costs associated with sending 20  
students on a Chesapeake Bay Foundation  
field trip to the Arthur Sherwood Study  
Center.*

**Identity, Inc.**  
\$5,000

*For costs associated with sending 336  
middle and high school students to attend  
an environmental education field experi-  
ence at the Jug Bay Wetland Sanctuary.*

**Izaak Walton League of America**  
\$35,000

*For costs associated with the Lands Green,  
Waters Clean Homeowner Behavior  
Change Research Project.*

**Little Bennett Elementary School**  
\$1,201

*For program costs associated with  
sending 123 fourth grade students on an  
environmental education field experience  
to Flag's Pond.*

**Little Falls Watershed Alliance**  
\$2,000

*For costs to support a schoolyard  
streamside buffer planting with 102  
third and fifth grade students.*

**Matsunaga Elementary**  
\$3,185

*For costs associated with sending 170  
students on an environmental education  
field experience with the Smithsonian  
Environmental Research Center.*

**Montgomery County Public Schools**  
\$1,250

*For costs associated with the installation  
of a rain garden at the Lathrop E. Smith  
Environmental Education Center.*

**Paint Branch High School**  
\$1,837

*For costs for 22 high school students to  
attend an environmental education field  
experience at the Chesapeake Bay  
Foundation's Karen Noonan Center.*

**Poolesville Elementary School**  
\$875

*For costs associated with sending 80 fourth  
grade students to participate in a Living  
Classrooms outdoor field experience.*

**Potomac Conservancy**  
\$5,000

*For costs associated with the Creating a  
Community of River Stewards project.*

**Potomac Riverkeeper**  
\$50,000

*For costs to build and sustain organiza-  
tional capacity to support restoration  
missions throughout the watershed.*

**Potomac Conservancy**  
\$50,000

*For costs to build and sustain organiza-  
tional capacity to support restoration  
missions throughout the watershed.*

**Rock Creek Conservancy**  
\$10,000

*For support of the Strengthening Stream  
Teams - Educating Communities project.*

**Rock Creek Conservancy**  
\$25,000

*For costs to build and sustain organiza-  
tional capacity to support restoration  
missions throughout the watershed.*

**Rock Creek Conservancy**  
\$996

*For costs associated with implementing  
a rain garden project to engage 50 students  
and 90 volunteers.*

**St. Bernadette School**  
\$1,015

*For costs associated with a stream survey  
that engaged 56 students.*

**St. James' Episcopal Church**  
\$8,725

*For rain garden design and construction  
that engaged the congregation in a  
community planting.*

**St. Martin of Tours**  
\$561

*For costs for 21 fifth grade students to  
attend an outdoor field experience at the  
Chesapeake Bay Environmental Center.*

**Westbrook Elementary School**  
\$5,000

*For costs associated with supporting  
three environmental education field  
experiences for 72 students.*

**Westbrook Elementary School**  
\$2,526

*For costs associated with sending 22  
students to attend two outdoor field  
experiences to Clagett Farm and the  
Merrill Center.*

**Prince George's County-**  
**\$222,888**

**Accokeek Foundation**  
**\$1,265**

*For costs to create educational collateral for the Accokeek Foundation.*

**Alice Ferguson Foundation**  
**\$20,000**

*For support for the Maryland Trash Free Community Pilot projects within the Regional Litter Prevention Campaign.*

**Anacostia Watershed Society**  
**\$5,000**

*For costs associated with supporting the second annual State of the Anacostia River Report.*

**Anacostia Watershed Society**  
**\$1,080**

*For support of an interpretive signage project on trails along the Anacostia River.*

**Anacostia Watershed Society**  
**\$5,000**

*For costs associated with conducting a meaningful watershed experience with 336 fourth and fifth grade students.*

**Anacostia Watershed Society**  
**\$5,000**

*For support of eight community trash education and training workshops.*

**Anacostia Watershed Society**  
**\$1,850**

*For costs associated with a native planting with 150 volunteers at Magruder Park.*

**Anacostia Watershed Society**  
**\$25,000**

*For a two acre buffer reforestation project on the Anacostia River.*

**CASA of Maryland, Inc.**  
**\$1,142**

*For support of a weatherization training course for the low-income immigrant community in Prince George's County.*

**CASA of Maryland, Inc.**  
**\$3,863**

*For costs of planting supplies involved in the implementation of a bilingual Landscape Conservation 101 class.*

**Chesapeake Bay Foundation**  
**\$1,397**

*For costs to construct a demonstration-scale closed-loop aquaponics system.*

**Chesapeake Bay Foundation**  
**\$1,250**

*For support for biodiesel processor construction supplies as well as education materials.*

**Chesapeake Education Arts Research Society (CHEARS)**  
**\$4,750**

*To support the Chesapeake Conservation Corps program and the coordination of its volunteers.*

**Chesapeake Education Arts Research Society (CHEARS)**  
**\$14,710**

*For costs involved in the implementation of the Greenbelt Food Forest project.*

**City of Greenbelt**  
**\$23,000**

*For costs involved in conducting a tree canopy study and community tree planting.*

**Clean Water Fund**  
**\$4,220**

*For support of the Raising Awareness on Improper Waste Disposal Practices and Impacts to Community Water Quality project.*

**ECO City Farms**  
**\$1,250**

*For native edibles to support the Autumn Woods Community native plant garden.*

**Holy Trinity Episcopal Day School**  
**\$2,603**

*For costs for 60 fifth grade students to attend an environmental education field experience at the Patuxent River 4-H Center.*

**Joe's Movement Emporium**  
**\$5,000**

*For costs, community clean up supplies, and environmental field experience fees to support the 12<sup>th</sup> Annual Sweeping the Avenue event.*

**Maryland Association for Environmental and Outdoor Education (MAEOE)**  
**\$1,250**

*For costs associated with the installation of schoolyard habitats in five schools throughout Prince George's County.*

**Maryland Department of Natural Resources**  
**\$3,420**

*For costs associated with signage to mark stream crossings and watershed boundaries within the Anacostia River Watershed.*

**Seat Pleasant Community Development Corporation**  
**\$2,210**

*For costs to support the Wet Basements workshop series.*

**Town of Forest Heights**  
**\$55,000**

*For costs associated with installing Pave Drain permeable pavement at the Forest Heights' Town Hall.*

**Pinchot Institute for Conservation**  
**\$10,000**

*For costs associated with the Enhancing Private Landowner Awareness of Forest Conservation Banking project.*

**Prince George's Community College**  
**\$23,628**

*For costs to install a rain garden on the Largo Campus of Prince George's Community College.*

**Queen Anne's County-  
\$230,023**

**Centreville Middle School  
\$2,228**

*For costs associated for 164 students to attend a NorthBay environmental education outdoor field experience.*

**Chesapeake Wildlife Heritage  
\$20,000**

*For costs associated with the restoration of 75 acres of wetlands at the Talisman Farm conservation easement.*

**Chester River Association  
\$99,000**

*For costs associated with the creation of a 270 linear foot living shoreline at Camp Pecometh, along the Chester River.*

**Gunston Day School  
\$100,000**

*For creation of a 770 linear foot living shoreline project on the Gunston Day School property.*

**Kennard Elementary  
\$3,325**

*For costs for 175 fifth grade students to participate in a Sultana outdoor education field experience.*

**Stevensville Middle School  
\$4,000**

*For costs for 187 sixth grade students to attend an environmental education outdoor field experience at the NorthBay Adventure Camp.*

**Wye River Upper School  
\$1,470**

*For costs for 18 students to attend the Chesapeake Bay Foundation's environmental education outdoor field experience at Fox Island.*

**Saint Mary's County-  
\$112,958**

**Center for Watershed Protection, Inc.  
\$31,852**

*For water quality restoration projects at the Greenview housing complex, Great Mills High School, and St. Mary's College campus.*

**Chesapeake Public Charter School  
\$5,000**

*For costs for 38 students to attend the Echo Hill Outdoor School's environmental education programs and for native plants for a farm restoration project.*

**St. Mary's College of Maryland  
\$16,500**

*For costs associated with a 1,560 linear foot living shoreline project along the St. Mary's River.*

**St. Mary's River Watershed Association  
\$34,606**

*For costs to support the Communities with LID Practices as the Social Norm project.*

**St. Mary's River Watershed Association  
\$25,000**

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**Somerset County-  
\$449**

**Chesapeake Bay National Estuarine Research Reserve-Maryland Department of Natural Resources  
\$449**

*For costs associated with supporting a native plant installation.*

**Talbot County-  
\$143,928**

**Chapel District Elementary School  
\$2,445**

*For costs associated with sending 60 students to the Echo Hill Outdoor School environmental education experience and to support the student-led action project.*

**Chesapeake Bay Maritime Museum  
\$60,000**

*For cost associated with the creation of a 270 linear foot living shoreline project at the Chesapeake Bay Maritime Museum.*

**Easton Elementary School  
\$4,963**

*For costs associated with sending 100 students to the Echo Hill Outdoor School environmental education experience and to support the student-led action project.*

**Easton Middle School  
\$4,400**

*For costs to support an environmental education outdoor field experience and a service learning project for 240 seventh grade students.*

**Habitat for Humanity Choptank, Inc.  
\$5,000**

*For support the Chesapeake Conservation Corps program and the coordination of its volunteers.*

**Habitat for Humanity Choptank, Inc.  
\$784**

*For costs associated with native species and collateral materials for a rain garden installation project and educational workshop.*

**Midshore Riverkeeper Conservancy, Inc.  
\$5,000**

*For costs to support the State of the Rivers Report Card to include data from the Choptank, Miles and Wye River watersheds.*

**Pickering Creek Audubon Center  
\$15,000**

*For support of outdoor field experiences for sixth through eighth grade students.*

**Talbot County-**  
**(continued)**

**St. Michael's Elementary School**  
\$1,736

*For costs associated with sending 40 students to the Echo Hill Outdoor School environmental education experience and for support for the student-led action project.*

**St. Michael's Middle High School**  
\$950

*For fees for 66 seventh grade students to attend an outdoor environmental education field experience at the Chesapeake Bay Maritime Museum.*

**Phillips Wharf Environmental Center**  
\$810

*For costs associated with the development of the Fisheries Management Program including monitoring kits and dissection materials.*

**Talbot County Public Schools**  
\$5,000

*For support of outdoor environmental education field experiences for Talbot County schools.*

**Tilghman Elementary School**  
\$718

*For costs associated with sending 14 students to the Echo Hill Outdoor School for an environmental education experience and support for the student-led action project.*

**Town of Easton**  
\$34,900

*For costs involved in the creation of a watershed plan for the Tanyard Branch.*

**White Marsh Elementary School**  
\$2,222

*For costs associated with sending 46 students to the Echo Hill Outdoor School for an environmental education experience and support for the student-led action project.*

**Washington County-**  
**\$108,085**

**Chesapeake Bay Foundation**  
\$24,988

*For costs associated with a 1,000 linear foot stream buffer planting and 1.5 acres of wetland restoration in the Monocacy watershed.*

**City of Hagerstown**  
\$22,000

*For costs to create a stream restoration needs analysis and stormwater retrofit study for a portion of the Antietam Creek watershed.*

**City of Hagerstown**  
\$27,000

*For cost associated with native tree plantings to meet the city of Hagerstown's community greening goals.*

**City of Hagerstown**  
\$30,000

*For costs associated with an environmental restoration design for Hamilton Run.*

**Highland View Academy**  
\$1,597

*For costs associated with sending 120 high school students to participate in a Chesapeake Bay Foundation outdoor field experience and to conduct a planting project.*

**Western Maryland Resource Conservation & Development Council**  
\$2,500

*For costs associated with sending 48 high school students to participate in an environmental leadership program.*

**Wicomico County-**  
**\$97,681**

**Bennett Middle School**  
\$4,305

*For costs associated with three outdoor field experiences, along with a native grasses and native wildflowers planting.*

**Lower Shore Land Trust**  
\$3,414

*For costs involved in the development of two native plant events and other related plantings.*

**Lower Shore Land Trust**  
\$10,000

*For costs associated with supporting the Chesapeake Conservation Corps program and the coordination of its volunteers.*

**Lower Shore Land Trust**  
\$15,000

*For costs associated with a rain garden installation, rain barrel workshop, and associated landowner outreach.*

**Maryland Association of Soil Conservation Districts**  
\$5,000

*For costs to support outreach on water quality best management practices to non-English speaking poultry growers on the Eastern Shore.*

**National Aquarium in Baltimore**  
\$1,250

*For costs associated with supporting a tree propagation project on the Eastern Shore.*

**Salisbury University**  
\$4,762

*For support of lab analysis for total nitrogen, phosphorus and bacteria levels as part of the Wicomico Creek Watchers Program.*

**Town of Delmar**  
\$18,950

*For costs involved with the creation of engineered designs of green infrastructure streetscape retrofits for East Walnut Street.*

**Wicomico Environmental Trust**  
\$35,000

*For costs involved in the creation of the Wicomico River Watershed Management Plan.*

**Worcester County-  
\$64,157**

**Calvert Marine Museum  
\$869**

*For costs associated with the creation of an interdisciplinary virtual outreach tool for educators and students.*

**Maryland Coastal Bays Program/  
Maryland Coastal Bays Foundation  
\$1,910**

*For costs to install two grow-out stations with the Coastal Stewards on Assateague Island State Park.*

**Pocomoke Middle School  
\$1,378**

*For costs associated with sending 80 students on a meaningful watershed experience with the Chesapeake Bay Foundation's canoe program.*

**Town of Snow Hill  
\$25,000**

*For supplies associated with the construction of a stormwater wetland at Byrd Park in Snow Hill.*

**Worcester County Public Schools  
\$35,000**

*For support of the creation and implementation of teacher professional development trainings and relevant outdoor field experiences for students.*

**Pennsylvania  
\$80,000**

**American Rivers  
\$20,000**

*For costs associated with developing green infrastructure webinars and educational programming.*

**Stewards of the Lower Susquehanna  
\$20,000**

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**Susquehanna Greenway Partnership  
\$20,000**

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**Trout Unlimited - National  
\$20,000**

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**Virginia  
\$545,569**

**City of Norfolk, Virginia  
\$134,463**

*For a 700 linear foot living shoreline project along Colley Bay in Tidewater, Virginia.*

**Elizabeth River Project  
\$47,000**

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**Friends of the North Fork  
Shenandoah River  
\$25,000**

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**Friends of Norfolk's Environment  
\$5,894**

*For a 150 linear foot living shoreline project on community property along the Lafayette River in Norfolk, Virginia.*

**Friends of the Rappahannock  
\$47,000**

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**James River Association  
\$47,000**

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**Mathews County, Virginia  
\$85,000**

*For costs involved in the installation of green stormwater infrastructure improvements to Main Street in Mathews, Virginia.*

**Northern Virginia Regional  
Commission  
\$16,500**

*For costs associated with the design of a 542 linear foot living shoreline project at Leesylvania State Park on the Potomac River.*

**Rivanna Conservation Society  
\$10,000**

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

**Shenandoah Resource Conservation  
and Development Council  
\$91,500**

*For costs to implement the Shenandoah Adaptable Streamfencing project which includes targeted outreach to farmers, comprehensive technical assistance, and flexible standards for BMPs for farms in the Shenandoah Valley.*

**The Landings at Bolling Square  
Community Association  
\$11,212**

*For the design of a 900 linear foot living shoreline project on community property owned by the Landings at Bolling Square Community Association.*

**Town of Ashland  
\$25,000**

*For costs associated with the low impact development infrastructure retrofit of a municipal parking lot.*

## Delaware \$20,000

Delaware Nature Society  
\$20,000

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

## West Virginia \$45,000

City of Romney  
\$25,000

*For costs involved in the development of green stormwater infrastructure design.*

West Virginia Rivers Coalition  
\$20,000

*For costs to build and sustain organizational capacity to support restoration missions throughout the watershed.*

## Maryland-Statewide \$135,044

Alliance for the Chesapeake Bay  
\$5,000

*For support for Project Clean Stream which cleans up trash and debris from Maryland's streams and rivers.*

Alliance for the Chesapeake Bay  
\$1,250

*For costs associated with technical trainings and scholarships for environmental conference attendance.*

H. John Heinz III Center for Science, Economics and the Environment  
\$5,000

*For costs associated with the Chesapeake Commons Data Initiative project.*

Maryland Department of Agriculture  
\$100,000

*For costs associated with implementing a training, certification, and licensing program for environmental service providers.*

University of Maryland Center for Environmental Science (UMCES)  
\$13,794

*For costs to support the Standardizing Non-tidal Indicators for Watershed Organization Analysis and Reporting project.*

Water Environment Federation  
\$10,000

*For costs associated with the support of a two day conference on low impact development.*

## Washington, D.C. \$47,950

Anacostia Watershed Society  
\$15,000

*For support of the National Capital Region Watershed Stewards Academy.*

Ballou Senior High School  
\$3,450

*For costs associated with sending 85 students to participate in a Watershed Explorers outdoor education program.*

Capital City Public Charter School  
\$4,750

*For costs associated with sending students to Clagett Farm and participating in a meaningful watershed experience.*

Capital City Public Charter School  
\$1,100

*For costs associated with supporting 143 middle school students to participate in the Potomac River outdoor education program.*

Excel Academy Public Charter School  
\$3,340

*For costs associated with sending 58 students on a meaningful watershed experience.*

Friendship Public Charter School - Chamberlain Campus  
\$800

*For costs associated with sending 70 middle school students to attend an outdoor field experience.*

Janney Elementary School (PTA)  
\$5,000

*For costs associated with sending 74 fifth grade students to Echo Hill Outdoor School for an environmental education outdoor field experience.*

Lands and Waters  
\$1,460

*For costs associated with an environmentally-focused school campus survey and watershed education field stations.*

Martin Luther King Jr. Elementary School  
\$4,200

*For costs associated with sending 146 elementary school students on an environmental education field experience with the Anacostia Watershed Society.*

Maury Elementary School  
\$4,750

*For costs associated with sending 290 first through third graders on an outdoor educational field experience.*

Wilderness Leadership & Learning, Inc.  
\$4,100

*For costs for 24 high school students to participate in an outdoor educational field experience.*
